INTERVIEW OF WITNESS

RONNIE GODWIN  
 White Male  
 DOB-10/14/53  
 P. O. Box 93, Alexander, AR  
 Currently Incarcerated, Jefferson County Jail, Pine Bluff, AR

On June 20, 1988 beginning at 2:43 p.m., I interviewed RONNIE GODWIN at the Jefferson County Jail.

GODWIN is incarcerated for probation violation. The probation was a result of a breaking and entering charge from Jefferson County.

GODWIN gave me the following information concerning what an anonymous caller reported to the State Police as information concerning the deaths of "two (2) boys on the railroad track at Benton".

GODWIN gave me the following information.

He had been at Gigi's Nightclub located at Highway 5 and the Saline/Pulaski County line. The day he recalls is either August 22 or 23, 1987.

GODWIN left Gigi's and was travelling home, driving south on Highway 111, when he saw two (2) men he believed to be police officers, two (2) teenaged boys, and what he believed to be an unmarked police car parked in the parking lot of Miller's Grocery. He estimated the time at approximately 2:30 a.m.

He described the vehicle as a grey, plain car. He said the car had police hubcaps, three (3) antennas on the trunk, and a spotlight on the side.

L

FILE NUMBER: 67-587-88

CRIME:

One of the men described as the larger of the two and dressed in a white pullover shirt and blue jeans was seen pushing a teenaged white male against a phone booth. Another teenager was kneeling on the ground between the phone booth and the police car. A second man, GODWIN believed to be a police officer also was standing over the teenage boy kneeling on the ground.

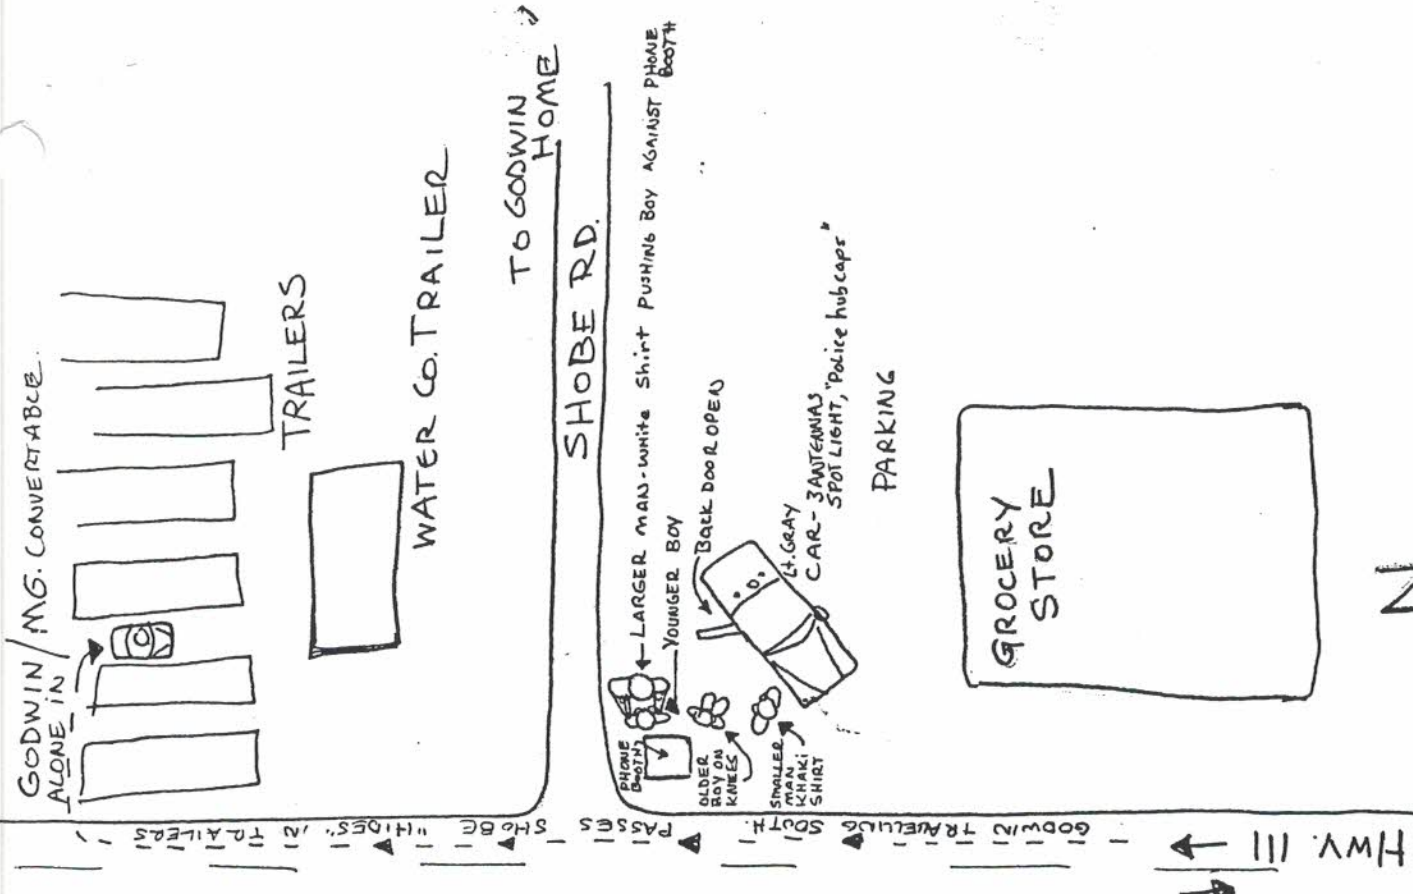

GODWIN proceeded south on Highway 111, past Shobe Road and pulled into a trailer lot just south of the Miller's Grocery parking lot.

GODWIN watched as the man in the white shirt pushed the boy against the phone booth several times and then both men loaded the two boys into the back seat of the car. The car crossed Highway 111 and proceeded east on Shobe Road.

GODWIN said the car went up the road and apparently did not turn off until it went over the crest of a hill.

GODWIN said the car came back approximately five or ten minutes later, crossed Highway 111 and proceeded west on Shobe Road. He said as the car passed he noticed a bag, he believed to be a garbage bag, in the back seat of the car.

GODWIN provided information by drawing a map which detailed the location of his vehicle and the relative location of the grocery store and phone booth. A compilation of the information will be provided on a diagram attached to this report.

This interview was conducted at Mr. GILMORE's residence, commencing at 10:48 a.m., on June 23, 1988, by Investigator DAVE DILLINGER. No one else was present during this interview.

During this interview, Mr. GILMORE stated that he was at a card game at a trailer on Lanehart Road in Little Rock on the Friday night before HENRY and IVES were killed. He stated that he remembered the date because on the next night, he was arrested for DWI by Trooper LAINHART of the Arkansas State Police. Mr. GILMORE stated that he did not know anyone at the card game except STEVE PERMENTER, with whom he went to the trailer. He stated that he did recognize RICKY BULLOCK and KELLY JACKSON among the twenty (20) to thirty (30) people who were at the trailer at various times during the night. GILMORE stated that he left the trailer at approximately 10:30 that evening. GILMORE further stated that he did not know how the topic came up about putting someone on the railroad track but, in any event, the comment was made long after BULLOCK and JACKSON left the trailer.

INVESTIGATOR'S NOTES

On June 24, 1988, at 9:00 p.m., I received a call from LINDA IVES. She was asking that we not tell the Saline County Sheriff's Office that we had talked to KEVIN HINZE. She said that he said he had asked his name not to be used when he had given the information, but it had mistakenly been given to us in the IVES' note.

HINZE told her that his wife and baby lived out in the country and if the Sheriff's Office found out he was talking he feared for their lives.

I contacted Investigator DILLINGER who interviewed him with reference to some information about remarks at a card game the day before the incident occurred. Investigator DILLINGER advised me that HINZE had not heard those remarks but it came second hand and he had interviewed that subject (GILMORE) also, but the facts weren't as they had been represented to us.

INTERVIEW OF WITNESS

CAROL LEA OLSON  
 W/F, DOB: 12-3-48  
 #5 Lindsey Drive  
 Alexander, Arkansas  
 847-2556

Ms. OLSON was interviewed at her residence on June 24, 1988, at 11:15 a.m. by this investigator along with Investigator RICHARD CARMAN and Investigator TIM RILES of the Saline County Sheriff's Office and Ms. OLSON related as follows.

"I met a man by the name of THOMAS SMITH, and he started coming by my house to visit and he would do some work for me. On April 3, 1988, he came by and was going to work on my car. I had left my purse in my car and he was outside working on my car when he drove it off and I have not seen him or my car since. I turned in a report to the Saline County Sheriff's Department as being stolen.

About three or four days before he stole my car, THOMAS SMITH told me that he had been in the Saline County jail for stealing some boats, when he heard that two Saline County Deputies had killed the two boys and placed them on the railroad tracks. He stated that the two deputies were having sex with a fourteen (14) year old black girl and the two young boys walked up on them, so the two deputies killed them so they wouldn't talk."

CLIFFORD OLLER

 Rt. 1  
 Bauxite, Arkansas  
 778-5711

Mr. OLLER was interviewed telephonically by this investigator on June 24, 1988, at 1:30 p.m., and he related that his girlfriend's brother, BILL DONNELLY, who works for Arkansas Power and Light as a meter reader had told him that KEVIN IVES and DON HENRY had owed CALLOWAY and COOK some money and they went to collect from the boys and they did not have the money so they did away with them. Mr. OLLER stated that this is the talk among the people at Arkansas Power and Light. CALLOWAY and COOK both used to work for Arkansas Power and Light and they robbed BILL DONNELLY one time on his route and got fired because of this robbery.

Mr. OLLER stated that BILL DONNELLY's name must be kept out of this investigation, because CALLOWAY and COOK had put the word out that they are going to kill BILL DONNELLY because of him turning them in over the robbery.

Dattie,

Sorry its took so long to write

Remember the girl I told you  
I lived with after I got kicked  
out of my house, well anyway  
were getting married Dec. 31, 1989  
we've been together for the past three  
or four years and I've known her  
since I was a little pretty boy.

Please dont say I'm to young  
because are you ever to young to  
love somebody? I know I love  
her and I know she loves me  
beside that I think we need  
each other, we both have separated  
parents and we want to try so  
hard to make it last for ever.  
hey I know times get hard, but  
we can make it. I'm gonna get  
back it church I always seem to  
feel better if I am. Beside that  
maybe god can help guide  
us and direct us. Right?

You sent me a a letter and  
even talked about Angel's paper,  
but you must have missed  
placed it cause I never received  
it. I know schools rough but are  
you really that crazy. Try again -

Mrs P.

I thought I'd write you a little something even though you said I didn't have too. Anyway is this year better than last. I doubt it, you don't have me and Don. and for that reason I don't have him either. But let me ask you this (I know you go to church and all maybe you can answer this) If God chooses us to come on this earth and chooses or knows our death before it ever happens. Why didn't he change the death? Or why were drugs put on this earth, there's no beauty in the plant itself. Was it put here to kill us or warn us you tell me! For that matter anything that's harmful to man, why is it here? You tell me I'm tired of wondering. Why are we sinners because years ago two people were? Is there an explanation to any of this? Is there a reason why God took Don's life? Is there a reason he has to fail? Or is this left unknown? I struggle with that, it's just that it crosses my mind so often.

FILE # 67-587-88

Between me and now only Miss P.  
This is no lie. Don and Levin were  
found shot in the chest and lying  
paled on the tracks. Drugs were  
involved but ~~it~~ not the reason of  
the death. Whoever did this was a  
very sick person, but I think this  
could of been helped, but I dont  
understand the will of god.

Anyway thanks for the picture  
it and memories is all I have  
left. Why? I dont know. We  
were so young. The reason  
I say we part of me died  
with Don Henry. I wish he  
were here or things were  
different.

Anyway have you found  
that copy yet. Id like to read  
it. Hey for a teacher your  
the greatest. I wish I had it  
all to do over again. You dont  
let me down though ok? Keep  
in touch as I will do you?

INVESTIGATOR'S NOTES

On Monday, June 27, 1988, this investigator contacted MARSHA LYNN GRANT concerning two men in camouflage clothing who "attacked" her son near their house in Bryant approximately one month ago. (See GRANT's interview). Ms. GRANT stated that she would reveal to this investigator the names of the boys involved in this incident; however, she wished to advise the parents of the young men involved first. This was agreed to and this investigator told Ms. GRANT that he would be back in contact with her on Tuesday, June 28, 1988.

On Tuesday, June 28, 1988, this investigator was contacted by Chief JOHN BAILEY of the Arkansas Highway Police, who stated that one of the young men in question was his son. He stated that they frequently put on their turkey hunting clothes and played in the woods near his house. According to Chief BAILEY, his son told him that they saw JASON GRANT near the woods and just decided to scare him. Chief BAILEY stated that he knew the identity of the other two young men with his son and assured this investigator that they were not involved in the HENRY/IVES case. He further stated that he was sure that neither his son nor the other two young men had been on Alexander Mountain, but he would check with his son to be sure and advise this investigator back if any further information developed.

INVESTIGATOR'S NOTES

On Thursday, June 23, 1988, this investigator was contacted by an individual who identified himself as JEFFERY ARNOLD JACKSON. This person stated that he lived in the trailer on Lanehart Road and that he was the brother of KELLY JACKSON. The individual stated that he and DALE BOWMAN had lived at this location for approximately two years. He stated that, to the best of his recollection, there had never been a card game in this trailer, however, KELLY JACKSON and RICKY BULLET frequently came by the trailer. He also denied having known DON HENRY or KEVIN IVES. When asked about a card game on the night prior to the IVES and HENRY deaths, the individual stated that he could not recall and reiterated that they never played cards at the trailer. He did state, however, that they played an occasional game of Dominoes. The person also denied having heard any comments from anyone present during that time period concerning "Monkeying someone up and throwing them on a railroad track."

On Friday, June 24, 1988, this investigator received a phone call from this same individual. He stated at that time that he was DALE BOWMAN. He stated that he gave the name JEFFERY JACKSON on June 23, 1988, because he did not know why State Police were looking for him and was afraid. He stated that he would help this investigator in anyway possible if he developed any information concerning the IVES and HENRY's case and maintained that all the other information given this investigator on June 23, 1988 was correct and factual.

INVESTIGATOR'S NOTES

On Monday, June 20, 1988, this investigator contacted Mr. HAROLD ZOOK. in reference to JAMES STEPHEN SHROYER. Mr. ZOOK stated that he knew Mr. SHROYER through his church and that in the past Mr. SHROYER had had trouble with alcohol, drugs and kleptomania. Mr. ZOOK stated that, to the best of his knowledge, Mr. SHROYER had overcome these difficulties and had not been in any trouble in the last few years. Mr. ZOOK also stated that he felt sure that Mr. SHROYER would reveal all facets of his past to an investigator, if asked. It was the opinion of this investigator during this interview that Mr. ZOOK knew somewhat more about Mr. SHROYER's past than he was telling; however, he wished the information to be revealed by Mr. SHROYER rather than himself. Mr. ZOOK also stated that he believed Mr. SHROYER had told Prosecutor RICHARD GARRETT this information.

INVESTIGATOR'S NOTES

On June 29, 1988, this investigator received information from a Confidential Informant that EDDIE GIVENS, black male, who used to live in Alexander, Arkansas, left town just about time the Saline County Grand Jury started meeting. The Confidential Informant stated that the talk around Alexander is that GIVENS, who has grown and sold marijuana in the past would be a good suspect in the deaths of DON HENRY and KEVIN IVES. Mr. GIVENS is supposed to be capable of doing anything.

This investigator checked with the Alexander Post Office and found that GIVENS left a forwarding address of Rt. 4, Box 136-V, St. Anns, Illinois.
