According to Mr. MITCHELL he had been asleep for an hour or so when he heard three rifle or pistol shots and then a large boom that sounded like a shotgun. INTERVIEW OF WITNESS

GAYLA HENRY

No address information was given by the witness.

This was a phone interview with Ms. GAYLA HENRY who is the sister to DON HENRY. Ms. HENRY did not give her location or her phone number and her father Mr. CURTIS HENRY called this investigator at my office in Hot Springs before the interview and set up the interview for this investigator.

Ms. HENRY stated that it has been a long time since the incident and she is trying to block everything out of her memory. Ms. HENRY stated that on the Friday night before the incident around 9:00 p.m., DON came by FREDDY POE's cousin's house where she was at. According to Ms. HENRY, DON just wanted to talk and she doesn't really remember the conversation but she stated that it was nothing out of the ordinary. Ms. HENRY stated that DON stayed about thirty (30) to forty-five (45) minutes and she's not sure but she thinks that KEVIN IVES was with him at that time.

Ms. HENRY stated that the next day, which was Saturday, DON came over to her house before he went to pick up KEVIN. Ms. HENRY stated the conversation was ordinary and during the conversation DON stated that he was going to go pick up KEVIN IVES. GAYLA stated that DON stated that they were going to cruise Geyer Springs but they would be coming back by her house later. Ms. HENRY stated she had asked DON where his girlfriend LAURA LARUE was and DON told her she was out of town and she seems to think it was somewhere in Oklahoma. According to Ms. HENRY, DON didn't say anything about going hunting that night.

Ms. HENRY stated that she did not see DON again because that night she took FREDDY POE's child to the Benton Speed Boat and was not home if DON and KEVIN had come by. Ms. HENRY stated that FREDDY POE was suppose to be at a guy's house in Benton. Ms. HENRY stated she could not remember the guy's name but she was sure he was with KEITH who drives a white four-wheel drive truck and lives in a trailer behind the car wash in Bauxite.

Ms. HENRY stated that DON did not seem to be troubled or upset and there didn't appear to be anything wrong. Ms. HENRY stated she does not remember but thinks that DON said that he and KEVIN were both looking for a quarter ounce of

FILE NUMBER: 67-587-88

CRIME: Homicide/Questionable Death

marijuana to buy. Ms. HENRY stated she thought that DON said something about going to a guy's house near where KEVIN lived to get the marijuana. Ms. HENRY stated she did not know where the marijuana that the boys bought came from for sure.

Ms. HENRY stated that DON called her one day from CLOUD GRIFFITHS' house and she believes it was the Thursday or Friday before the incident. Ms. HENRY stated that DON advised her that he had went to CLOUD GRIFFITHS' house looking for her and while he was there he tried to buy a quarter ounce of marijuana from CLOUD but CLOUD did not have any marijuana. Ms. HENRY stated that usually if DON was going to buy marijuana he would buy it from her or CLOUD GRIFFITHS.

Ms. HENRY stated that DON never said anything about owing anyone money for drugs and he had a job and he usually had money. Ms. HENRY stated she never heard him say anything about ripping anyone off for drugs. According to Ms. HENRY she didn't hear him say anything about a drug drop in Alexander, but she does remember him saying something about the ultimate dealer who is supposed to be a subject out of Little Rock and this was approximately three (3) weeks before the boys were killed.

Ms. HENRY stated that DON never said anything about being in any kind of trouble and they were close enough that if DON was in some kind of trouble he would have told her. Ms. HENRY stated that to the best of her knowledge DON HENRY never dealt with any blacks concerning drugs.

INVESTIGATOR'S NOTES

On July 14, 1988, a teletype message was sent via terminal from the North Brunswick, New Jersey Police Department. The teletype concerned itself with the accidental train death of an unidentified person in North Brunswick.

A copy of the teletype will be attached to this report and is self-explanatory.

On July 14, 1988, I contacted Detective Sergeant JOHN GEORGIANNI of the North Brunswick, New Jersey Police Department concerning the death.

Detective Sergeant GEORGIANNI stated that the victim was walking on the tracks when the in-track train approached him from the rear.

The train crew sounded the horn on the train once and the victim did not respond. The victim continued to walk until the horn was sounded a second time. After the second sounding the victim turned around, however, the train was too close for him to react and he was struck by the train and was killed instantly.

INTERVIEW OF WITNESS

DARREN WAYNE O'NEAL  
 W/M, DOB: 3-12-69  
 407 Raymar Road  
 Alexander, Arkansas  
 847-4150  
 Employed by B. W. O'NEAL

At approximately 2:43 p.m. on July 15, 1988, this investigator interviewed DARREN WAYNE O'NEAL in reference to information he might have concerning this investigation. The following will be the information related to this investigator by Mr. O'NEAL.

Mr. O'NEAL stated that his sister LAURIE O'NEAL knew KEVIN IVES' sister ALICIA IVES and this is how he got to know KEVIN IVES. O'NEAL stated he also knew KEVIN from school.

According to O'NEAL his relationship with KEVIN IVES at first was not that good but later developed into a good friendship. O'NEAL stated that first he just didn't have time for another friend. According to O'NEAL, DON HENRY came over to his trailer on a couple of occasions and on at least one occasion that he was sure of he sold cocaine. O'NEAL stated that he was on drugs real bad and that he does not remember who DON sold the drugs to. O'NEAL stated that JEFF MADDEN and EDDIE GRIEBEL were at the trailer and it could have been one of them or several others that DON HENRY sold the cocaine to. O'NEAL stated that he took LSD and used marijuana during this time and he was in real bad shape from these drugs. O'NEAL stated that later he had to go to the Baptist Care Unit for help concerning his drug problem. O'NEAL stated that he knew DON sold and it was a common fact but he never saw him with any cocaine. O'NEAL stated that DON supposedly had a large connection for cocaine. O'NEAL stated that he thought that KEVIN may have dealt some marijuana but not cocaine. According to O'NEAL he has known KEVIN for about three to four years and DON for about a year. O'NEAL stated that he had heard a lot of speculation, rumors and myths but that the main one was about a marijuana patch. O'NEAL stated that supposedly the boys had been to a marijuana patch and some blacks had thrown them out and threatened to kill them if they ever came back. O'NEAL stated that there was a Bryant Police Officer that was shot at in the same area and it was said that these were

FILE NUMBER: 67-587-88

CRIME: Homicide/Questionable Death

the people trying to protect their patch. According to O'NEAL, the boys were supposedly going to the patch that night and had said they were going to take a gun and a flashlight for protection and that is when the guys killed them. O'NEAL stated that there were a lot of people coming around and talking and this was basically what everyone had said. O'NEAL stated he could not remember who said these things and there were no names mentioned of who the blacks were in connection with this incident.

O'NEAL stated that he went to Alexander and checked with his connections and everyone kept saying, "GARY didn't do it." O'NEAL stated that he thought the guy's name is GARY PETERS.

According to O'NEAL when he was in the Care Unit he met a MATTHEW LEE who said he had a lot of Chinese connections and DON HENRY had the same Chinese connections and was probably killed by the Chinese Mafia.

O'NEAL stated that a girl named JENNIFER ALTON who lives in Ranchette said that the marijuana field was two to three miles down a road that has a locked gate that is near the tracks. O'NEAL stated he has heard that people are still around the patch but he could take us to where the gate was. O'NEAL stated he knew about this plot before the boys were killed. According to O'NEAL, someone had told him about the plot. O'NEAL stated that JEFF MADDEN had ripped a marijuana patch off near Shackleford Road in Little Rock and got about five (5) pounds of "pot" and was selling this and making money. O'NEAL stated that this looked pretty good, so he started looking for some marijuana plots and when he was told about this one he started thinking about it but he was also told that the plot was guarded so he didn't go to this marijuana field.

Concerning lead number 85, Mr. RANDALL stated that he also knew JAMES CALLAWAY. However, he denied making the statement that CALLAWAY had sent the boys to the railroad tracks in Alexander on the night of their deaths. He also stated that he did not know where this information could have come from.

(NOTE: When this investigator went to J. R.'s Auto Sales on Baseline Road in an attempt to locate Mr. RANDALL, he was initially informed by someone at the auto sales, apparently Mr. RANDALL's employer, that he was not present. After a brief conversation with the employer, this investigator was instructed to wait in an office at the auto sales and Mr. RANDALL appeared two or three minutes later. Mr. RANDALL informed this investigator that he was in the process of calling his lawyer when he found out that a State Police investigator was looking for him and seemed relieved that the purpose of the visit was an interview rather than an arrest. It was also determined by this investigator, while attempting to locate Mr. RANDALL on Polk Road in Alexander that his neighbors held him in universally low regard and did not seem surprise that a State Police investigator was attempting to locate Mr. RANDALL.)

This interview was concluded at 4:00 p.m.

INTERVIEW OF WITNESS

PAUL PETZ  
 W/M, DOB: 10-14-58  
 Rt. 1, Box 148-M  
 Alexander, Arkansas  
 794-1945

Mr. PETZ was interviewed telephonically by this investigator on July 21, 1988, at 10:45 a.m., and he related as follows.

"I use to own a 1979 Ford van and I sold it about six months ago to some guy who lives up off of Lawson Road. I don't remember his name off hand. I had put an ad in the newspaper and he read my ad and bought the van from me. The reason I sold that van was I had completely worn it out. I had been hauling firewood in it and it was worn out.

I did not know either of the two boys that were ran over by the train. I have read about it in newspapers and I have seen the news on it on TV, but that is all that I know about the boys getting ran over by the train."

INVESTIGATOR'S NOTES

On July 19, 1988, Sergeant BARNEY PHILLIPS of the Arkansas State Police, Sergeant RICHARD CARMEN and Investigator CHUCK TALLENT of the Garland County Sheriff's Office, along with this investigator went to a location approximately one-quarter mile from CURTIS HENRY's house, across the tracks from Shobe Road, where there is a dirt road leading off that has a metal gate across the entrance. This is the area which was identified by DARREN O'NEAL as being the area where the marijuana patch was supposed to be that DON HENRY and KEVIN IVES were supposed to try to rip off. We made a search of this area, but were unable to locate any marijuana plants.

It should be noted that while we were there, a large area of the wooded portion of this location had been cleared and there was still work being done in this area, so if there was a marijuana patch located in this vicinity, it could have been destroyed.

INVESTIGATOR'S NOTES

On July 21, 1988, Sergeant PHILLIPS and myself attempted to locate a subject named NAN REED. We had received information that Ms. REED might have information concerning the deaths of DON HENRY and KEVIN IVES. We were unable to locate Ms. REED, but we did develop information that NAN REED is living with her father ROBERT COTTON in Hardscramble, off of Baseline Road, phone number 455-1663. I attempted to make contact with Ms. REED at that number, but this showed negative results.

We contacted a Ms. JOYCE BLOUNT who advised that NAN's last name is LEACH and that she was out of town with her father but would be returning over the weekend. We will attempt to contact Ms. REED on Monday, July 25, 1988.

INVESTIGATOR'S NOTES

On July 21, 1988 at approximately 9:00 a.m., this investigator met with Special Prosecuting Attorney DAN HARMON to discuss this case. I advised Mr. HARMON that the investigative team had nearly completed all the leads that had been set out. Mr. HARMON advised that at this point it looked as if we had boxed ourselves in and probably would have to wait until we initiated a trial on JAMES CALLAWAY, KEN COOK, and RICHARD SAMPLEY before any new leads would develop. Mr. HARMON stated that he had thought we had done about everything that we could do until we were able to initiate the trials. Mr. HARMON stated that he would try to set trial dates for the end of August. I advised Mr. HARMON that we would still pursue any leads that he came up with and would continue to pursue the leads that had not been completed.

At approximately 8:50 a.m. on July 21, 1988, this investigator interviewed SHANNON HINES in reference to information she might have concerning this investigation. The following will be the information related to this investigator by Ms. HINES.

HINES stated that she didn't know KEVIN IVES very well, but that she had met him while KEVIN was working at the Safeway on Geyer Springs in Little Rock, Arkansas. HINES stated that she had known KEVIN for a little less than a year. According to HINES, the only time she ever saw KEVIN was at the Safeway Store on Geyer Springs. HINES stated that she did not know DON HENRY.

HINES stated that one day KEVIN asked her if she wanted to go steal some marijuana and she asked him what he was talking about and he said it was down near the police station off Mann Road in Little Rock. HINES stated that KEVIN did not say how he knew the marijuana was there and this was the first time that he had mentioned anything to her about the marijuana patch. HINES stated that he did not say anything about anyone guarding the plants and that he told her this about three months before he was killed. HINES stated that she told him that she did not want to go with him to steal marijuana and in fact did not go with KEVIN IVES.

HINES stated that this was the first time that KEVIN had ever come out and directly said something to her about drugs. HINES went on to state that she knew that KEVIN got high but she never saw him with anything. According to Ms. HINES, KEVIN never said anything to her about being in any kind of trouble.
